Benefits:

- Extends Flooring life: minimizes the volume of dirt and moisture that enters the building, to reduce abrasive wear and extend the life of interior flooring.
- Improves Appearance (at lower maintenance cost): installed at entrances reduces soiling in interior spaces, to improve aesthetics and lower periodic cleaning costs.
- Safer than loose mats: CleanStep carpet tile can be fully adhered to the floor, to eliminate the trip hazard associated with loose mats.
- Stylish entrance solution: CleanStep's contemporary embossed-grid pattern complements upscale lobbies
- Sustainable: CRI Green Label Plus, 100% PVC-free & up to 20% pre-consumer recycled content

Installation Methods:

- Follow CRI Carpet Installation Standards Guidelines
- Inspect new flooring prior to installation
- Always work from several boxes
- Use floor protection for furniture
- Vacuum regularly and use walk-off mats at entrances
