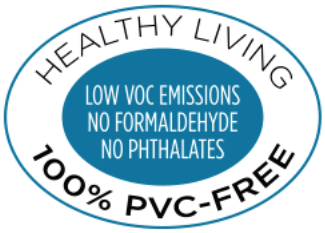
FEATURES

PVC-FREE CONSTRUCTION

SONO Eclipse is PVC-free rigid core flooring crafted using durable food-safe, medical-grade polypropylene, most commonly used to make a variety of consumer products such as baby bottles. By combining polypropylene with a mixture of natural minerals we can create a composite core that is PVC-free, waterproof, inert and strong enough to withstand the rigors of daily use in the busiest households.



WATERPROOF

STAIN & FADE RESISTANT

EASY TO CLEAN

FAMILY & PET FRIENDLY

SCRATCH RESISTANT

ATTACHED UNDERLAY

CERTIFIED SAFE
SONO Eclipse contains no PVC, formaldehyde, phthalates, or plasticizers and is GreenGuard Gold and Blue Angel certified.

WATERPROOF
SONO Eclipse's unique composition is waterproof making it ideal for installations throughout your home, including kitchens, bathrooms, or below grade.

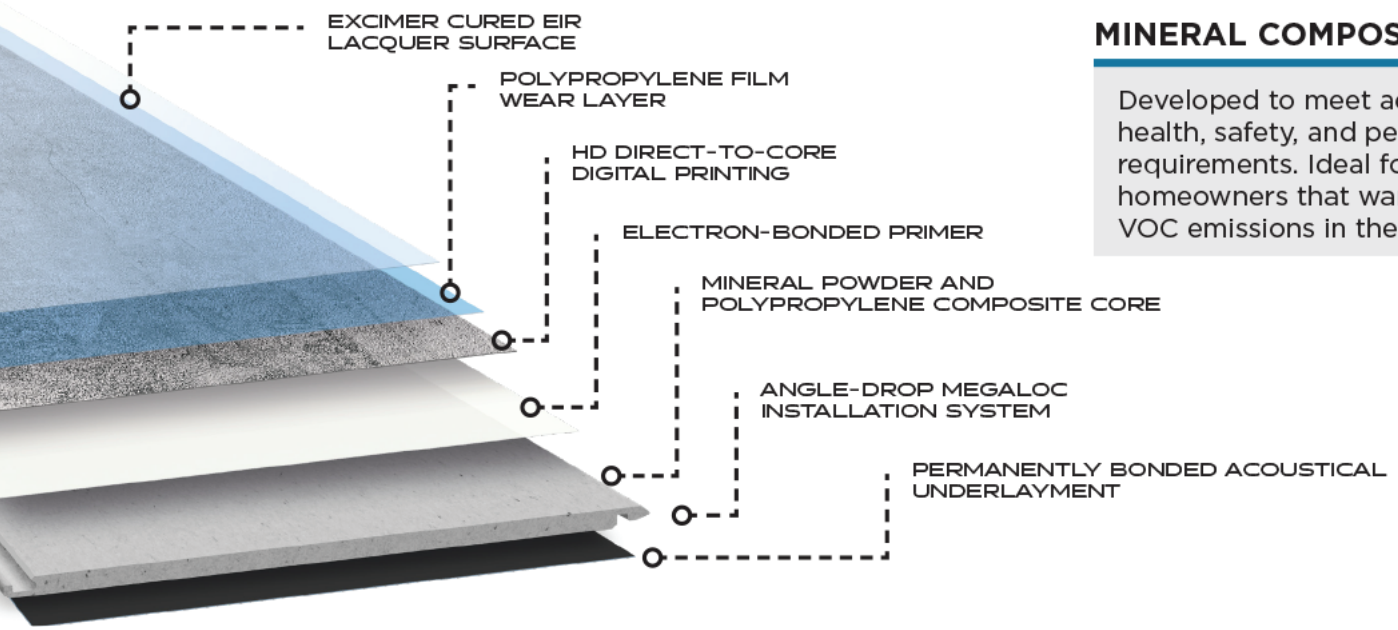
DURABLE PERFORMANCE
SONO Eclipse is designed to withstand the challenges of everyday life in the busiest of households. It can stand up to spills, scratches and pet accidents, and will not fade or stain.

EASY INSTALLATION
Quick and simple floating installation with a patented angle-drop locking system allows for installations up to 10,000 square feet without the use of transitions.

LOW MAINTENANCE
SONO Eclipse floors are easy to clean. They do not require special or expensive cleaning agents and are safe to clean by wet, damp, and steam mop.

ATTACHED UNDERLAY
Designed specifically for SONO Eclipse, the pre-attached underlay provides built-in acoustical performance. It is permanently attached, making it safe for installation on stairs.

COMPOSITION



MINERAL COMPOSITE CORE

Developed to meet advanced health, safety, and performance requirements. Ideal for homeowners that want to reduce VOC emissions in their homes.
