

AZURE NORTHWEST HOMES

AT TEHALEH DEVELOPMENT | BONNEY LAKE, WA

TAS
CONTRACT

Based in Washington State, Azure Northwest Homes is a regional home builder with several large housing developments in the Pacific Northwest. They pride themselves on their connection to the region. Azure Northwest was on the list of the top 25 homebuilders for 2022 by Puget Sound Business Journal for revenue driven, single family homebuilders in the Puget Sound Area.

OUR SOLUTION

Azure Northwest picked our TAS Flooring product, Tandem Rigid, to be utilized in their Tehaleh development in Bonney Lake, WA. Providing a rustic yet chic base to the home's aesthetic – it fit perfectly with the Northwest flair for this development. Homeowners will also benefit from the waterproof technology and dimensional stability of Tandem Rigid.

THE RESULTS

These gorgeous homes are approximately 1,400 – 2,500 square feet and have 2-3 bedrooms with approximately 2 bathrooms. They feature outdoor living spaces as well as oversize windows and wonderful room concepts that match the personality of the northwest home buyer.
